Water Cure Establishment.

The above institution is now open for the reception of patients. It is located about five niles from the city, on the Carthage pike, and but a few rods from the Hamilton, Gliedmant and Payton Railroad, in the rear and at the same distance from the Minni Canal, in the front, rentering it cany of access to those desirous of enjoying the on the Carlman and Payton Railroad, in the rear and at the same distance from the Miani Canal, in the front, rendering it cap's of access to those desirous of enjoying the benefits of the Institution.

To the lover of nature, ow parts of the country can furnish a more pleasing variety of scenery than stready itself before the traveller all the way from Cincinnati to the Cure. There nature and art combine, rendoring the view beautian beyond description.

The new, large, and beautian Raiffice displays the tasts of the artist at a giance. The neathests and elegance of the interior, combined with the numerous attractions which interior, combined with the numerous attractions which interior, combined with the numerous attractions which inclement hemselves to the invalid, cannot fail to render this Establishment a desirable one. The Halls are extensive, the Rooms against an early turnished; the Bath Rooms are ample and commodious, being convenient for the application of water, in every form. In connection with the Institution there is a Gymnastian Hall, seventy-five feet long, where railoust will have an opportunity of restoring their muscular strength by healthful exercise. The Springs which furnish the water for this establishment, are clear, pure, soft and abundant; flowing from a gravelly beal, they send forth water both cold and delicious. The country and neighborhood are remarkable for healthfaliess, purity of all and all the sendence of the restoration to health of the room of this of a more desirable place, for those seeking health, then this hastitution.

Dr. Passe, having had much experience in the treatment of disease for many years, hegs leave to inform the public that no pain will be spared for the restoration to health of these committed to his care. Mrs. Passe, which has los several years, devoted her attention to, the treatment of disease peculiar to her sex, and being every way qualified for so important a station, will take special charge of the female department. Prolayeus Uteri, with its train pla the attention of ladies, as in all cases we shall expect to perform a perfect cure.
